

Mount Larcom School has been proudly serving the community of Mount Larcom since 1882. Here, we provide high quality education that makes a positive difference to the lives of our students and will equip them to contribute to a socially, economically and culturally vibrant society in the future. In 2009, our Prep to Year 10 multi-age classes followed the Queensland curriculum of the Essential Learnings in all Key Learning Areas augmented by Gifted and Talented, Early Intervention and Learning Support and Special Needs programmes. Classroom teaching programmes are balanced and innovative focusing on the core business of literacy and numeracy. Our school is active in the community participating in ANZAC Day, environmental events and local sporting competitions. Our Chaplain addresses the religious, spiritual and/or ethical needs of students. The value of the parental role in education is vital at Mount Larcom. Parents are encouraged to become partners in learning, with our vibrant Parents and Citizens Association fostering cohesion within the school community and providing the advice and additional resources critical to our ongoing success.
