School overview

Mount Larcom State School and Secondary Department has been proudly serving the community of Mount Larcom since 1882 and is a caring, friendly and supportive learning environment where there is a strong culture of respect and responsibility. Students and staff continually demonstrate our clear culture of respect for ourselves, others and our school environment. Our students across both sectors consistently engage in various forms of leadership. Mount Larcom State School and Secondary Department continuously strive to provide a rich and challenging experience for all students whilst valuing the potential of every student as a capable learner. We model and develop positive attitudes and behaviours for self, others and the environment; learn to know how to adapt to change and develop resourcefulness and resilience and to set goals and achieve them. Mount Larcom State School and Secondary Department is a recognized School of Excellence for Agriculture and has developed strong pathways for our students. Our students are well supported with access to a Guidance Officer, SEP teacher, Chaplain and Youth Health Nurse.

School progress towards its goals in 2018

Mount Larcom State School and Secondary Department's Annual Implementation Plan for 2018 identified the introduction of a consistent whole school pedagogical philosophy, approach to writing; developing a consistent whole school Pedagogical Framework and revise, review, and consolidate a whole school pedagogical philosophy and approach to reading.

In 2018 we:

- Embedded productive partnerships with students, staff, parents and the community. We reflected on, extended and further consolidated our communication process to include a comprehensive and informative newsletter once per week; regular phone calls for both positive and inappropriate behaviours to parents and caregivers; further developed a roster for newsletter articles; updated our webpage and make regular postings on our Facebook page. We embedded a consistent approach for the use of diaries across the school.
- Introduced and developed our school as a PBL school.
- Expanded our Junior Secondary transition program; prep taster day; interschool cluster days; community days; whole cluster sports/science/HASS / Under 8's days.
- Fully develop work experience and Careers programs.
- Expand and grow our Art and Agriculture programs in order to increase opportunities for our students.

Future outlook

At Mount Larcom State School and Secondary Department, we will continue to develop an environment of respect, responsibility and Positive Behaviour Learning.

The priorities for the School Implementation Plan for 2019 are:

- Embed a strong partnership with the community via Farmer's Markets and community events
- Embed a consistent whole school pedagogical philosophy and approach to writing
- Embed Seven Steps to Writing and TEEL
- Embed a whole school pedagogical philosophy and approach to reading
- Embed a consistent whole school Pedagogical Framework aligned to PBL
- Further develop our teacher Buddy, peer reviewing, pre and post moderation and mentoring programs.

- Review and further embed a strand of Agriculture to include the use of technology
- Embed Electives under the banner of Majors
- Grow the development of a strong ICT/technology program
- Continue to grow our Careers program for secondary students and develop distinct pathways. Grow work experience.
- Professionally develop Primary teachers so that Primary Connections Science is embedded in Primary

2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [Pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2018, there were no students enrolled in a pre-Prep program.

Characteristics of the student body

Overview

Mount Larcom State School and Secondary Department has approximately 93 students. Our Secondary Department has approximately 60 students. Our students transition into secondary from Mount Larcom, Ambrose, Yarwun and Calliope. Our Prep students primarily transition from our Playgroup/ Cubs Club. Whilst our secondary students predominantly transition into Gladstone State High for Year 11 and 12 there are also strong pathways for our secondary students to transition to traineeships, apprenticeships or Agriculture College.

Average class sizes

Social climate

Overview

Overview

At Mount Larcom our Primary Department runs separately to our Secondary Department which means that we have two parades, two sets of leaders, two Student Councils and leadership groups. Staff members; however have several opportunities to interact with all students. Additionally, the school has the following school staffing placed to support student welfare:

School – based Youth Health Nurse – one day per fortnight

Guidance Officer – Half a day per week

Chaplain – three days a week

SEP – two days a week

These staff members in conjunction with our leadership team co-ordinate and facilitate a range of pastoral care activities for students and staff. Examples include: Core of Life, Headspace, Branch Out, Man Up and Love Bites.

Throughout 2017 Champion points recognition scheme acknowledged positive student behaviors in the Secondary Department and the You Can Do It program was used in the Primary Department.

Procedures for Preventing and Responding to Incidents of Bullying (Including Cyber Bullying)

Responding to Bullying:

Mount Larcom State School and Secondary Department strives to create positive, predictable environments for all students at all times of the day.

There is no place for bullying at Mt Larcom State School and Secondary Department. Research indicates that both those being bullied and those who bully are at risk for behavioral, emotional and academic problems. These outcomes are in direct contradiction to our school community's goals and efforts for supporting all students to be successful.

Bullying is different from conflict. One-off incidents such as inappropriate comments, arguments and fights are dealt with in the school situation but do not necessarily constitute bullying as such. Staff members are aware that bullying may have an element of threat, can continue over time and is often hidden from teachers and adults. Since bullying is likely to continue until the victim, peers or adults take suitable action, students are educated to speak up if they feel bullied.

Bullying behaviors that will not be tolerated at Mt Larcom State School and Secondary Department include name-calling, taunting, mocking, making offensive comments, kicking, hitting, pushing, taking belongings, inappropriate text messaging, sending offensive or degrading images by phone or internet, producing offensive graffiti, gossiping, excluding people from groups, and spreading hurtful and untruthful rumors.

Bullying may be related to:

- Race, religion or culture
- Disability
- Appearance or health conditions
- Sexual orientation
- Sexist or sexual language
- Young carers or children in care

Prevention

Attempting to address specific problem behaviours will not be successful if the general level of disruptive behaviour in all areas of our school is not kept to a low level. Therefore, our school wide positive behaviour support practices will be maintained at all times. This will ensure that:

Our universal behaviour support processes will always remain the primary strategy for preventing problem behaviour, including preventing bullying behaviour.

All students know the four school rules and have been taught the expected behaviours attached to each rule in all areas of the school.

All students have been or are being taught the specific routines in the non-classroom areas, from exiting the classroom, conducting themselves in accordance with the school expectations in the playground and other areas, to re-entering their classrooms.

All students are receiving high levels of positive reinforcement for demonstrating expected behaviours, including those associated with following our routines, from all staff in the non-classroom areas of the school.

A high level of quality active supervision is a permanent staff routine in the non-classroom areas. This means that playground and bus duty staff members are easily identifiable and are constantly moving, scanning and positively interacting as they move through the designated supervision sectors of the non-classroom areas.

The student curriculum modules of the anti-bullying process consist of lessons taught by all teachers in all classrooms to a school wide schedule of instruction. At all times simultaneous instruction is our goal, in order to maintain consistency of skill acquisition across the school.

Mt Larcom State School and Secondary Department uses behavioural data for decision-making. This data is entered into our database on a needs basis and can be recalled as summary reports at any time. This facility allows the school to track the effectiveness of its anti-bullying process, to make any necessary adjustments and to identify specific bullying behaviours that may need to be revisited or revised in the instruction process.

If bullying occurs, Mount Larcom has a process in place that student and staff are all aware of - this can lead to referral to teacher, solution centre, behaviour contract or principal intervention dependent on the level and/ or effect of the bullying. If bullying continues this will lead to parents being contacted and referral to any of our specialist e.g. Guidance Officer, Behavioural Team.

Parent and community engagement

Community volunteers, parents and caregivers are actively encouraged to be involved in our school. Parents and caregivers are encouraged to participate in a range of school activities.

- **Involvement of parents, caregivers and community in annual events such as Sports Carnival, Under 8's Day, Science Week**
- **Invitations to school and classroom events e.g. Graduation Ceremonies, ANZAC Day Service, Education Week Activities, Grandparents Day, Under 8's Day**
- **Formal parent teacher interviews once per semester and informal interviews and discussion are held as requested**
- **Regular phone calls home to parents and caregivers**
- **Regular information dispersal via newsletters, school parades, class parent information, student diaries and communication books and parent teacher interviews and forums**
- **Parental support in classrooms**
- **Visits to classrooms to view students learning or as a guest speaker**
- **Parent and Citizens Association**
- **Tuck Shop Volunteers**

Respectful relationships education programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

Students have regular access to a Health Nurse, Chaplain, SEP teacher and Guidance Officer. Secondary students also attend form class each day where they have the opportunity to develop a trustful relationship with the teacher. The school has regular visits and runs programs with Headspace and Roseberry House.

School disciplinary absences

Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	1	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

At Mount Larcom State School and Secondary Department, we have student monitors who do check-ups on classrooms and offices to ensure that lights, fans and air conditioners are turned off when the room is empty. Our air conditioners run only in Term 1 and 4 and run at 25 degrees.

Our water is closely watched and we use bore water where possible, however with the introduction of animals due to our Agricultural Program and the drought our water consumption has increased.

Table 7: Environmental footprint indicators for this school

Utility category	2015–2016	2016–2017	2017–2018
Electricity (kWh)	26,825	74,964	55,612
Water (kL)	1,261		3,119

Note:

Consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Student attendance distribution

Graph 1: Proportion of students by attendance rate

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

Student's rolls are marked twice daily. This occurs in the morning and after second break. Administration will view all unexplained absences each day and contact parents/caregivers. Administration will follow student absences and if there are obvious patterns or absences which may raise concern they will record and send appropriate letters.

Messages are placed in the school newsletter reminding parents about the importance of every day at school counts and the importance of contacting the school with student absences.

Persistent absences without reasonable explanations is managed by following the EPPR – Enforcement of Compulsory Schooling.

Students with 100% attendance at the end of each term are rewarded.

Weekly attendance percentage are placed in the newsletter.

Secondary students are required to have a good attendance record if they wish to be involved in our Agriculture and specialist programs, including our work experience program for Year 10 students or to attend reward days.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

The destinations of young people who left this school in Year 10, 11 or before completing Year 12 are described below.

Our Year 10 students attended Year 11 at Gladstone State High School.

Next Step – Post-school destinations

The results of the 2019 Next Step post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2018), will be uploaded to this school's website in September 2019.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.
