Parents, please ensure that you purchase the correct year level rulings and quad or grid books for maths if requested.

Purchasing all the stationery now will ensure students have enough to last for the whole year, instead of having to purchase more half way through the year.

* Please label all items clearly and ensure that books are covered.

* **No whiteout, metal or bendy rulers or nikko pens are permitted.**

* It is recommended that children wear shoes with velcro tabs if they are unable to tie shoe laces..
